

Certificate of Analysis

Biodegradability Assessment

Sample Number: 2038

Date: 18 December, 2008

Submitted by:

Sample Description:

Test Method: OECD 310 (whole product assay)

Result:

10 Day Mineralization: 63%

Apparent Half-Life: 8.2 Days

Designations: **"Biodegradable"**
"Readily Biodegradable"

This certificate summarizes the results described in Stevens Ecology Project Report 2038. Consult the full report for details.
